Gentlemen:

Pursuant to paragraph 149a of the Rocky Flats Cleanup Agreement, the Department of Energy agreed to provide the Environmental Protection Agency, the Colorado Department of Public Health and Environment and the Citizen's Advisory Board with certain budget information. This information required a summary of the budget request forwarded to the Department of Energy Headquarters by the Rocky Flats Field Office and a summary of the Site-Environmental Management budget request forwarded by DOE-HQ to the Office of Management and Budget. On February 6, the President submitted his 1998 budget to Congress, accordingly some of this information is now available.

Please find enclosed (1) a summary of the budget request forwarded by RFFO to DOE-HQ for FY 1998 and (2) certain Rocky Flats specific budget information extracted from both the President's FY 1998 Budget Request and from the Department's attendant justification materials. The DOE-HQ funding request by EM to OMB for RFFO fully complied with the provisions of Executive Order 12088.

We look forward to the budget briefing described in paragraph 149b, and will contact you to schedule a mutually agreeable time. If you have any questions please do not hesitate to call me (303) 966-4839.

Sincerely,

Steven W. Slaten
RFCA Project Coordinator
